#### METRIC 4.3.1: IT facilities

Date: 2023-24

The institution regularly upgrades its IT facilities to ensure they meet the evolving needs of students and staff. This includes high-speed internet connectivity, such as the **BSNL 100Mbps WiFi**, which is available across campus to support academic, research, and administrative activities. These frequent updates ensure that the institution's IT infrastructure remains robust, reliable, and capable of handling the growing demand for digital resources and online learning tools. The WiFi network is strategically placed to provide seamless connectivity in classrooms, libraries, hostels, and other key areas, enhancing the overall learning experience.
